

SAMPLE KAIROS RECRUITING ELEVATOR SPEECHES

Introduction:

Elevator Speech: Imagine you are in an elevator (or any other place) and a person who is interested in...and can possibly have an influence on Kairos, asks you 'what is Kairos?'. You only have a few moments to get your message across. Think about what you want to say, clearly and concisely in only a few sentences.

It is helpful to know one or two of these and also have your own impact story ready for follow-up. When consistent form is used, the repetitive nature across many uses helps build consistent awareness of Kairos Prison Ministry. Practice this before speaking to the media and/or to potential volunteers or donors and it will help you organize and personalize your thoughts and witness.

The objective is to lead to an invitation for more dialogue. This in turn helps create exposure for Kairos and can lead to new volunteers.

There are 3 components to the Elevator Speech:

1. Christian impact on inmates/families/society.
2. Impact on you.
3. Follow up.

Sample Elevator Speeches - General:

Kairos brings the light of Jesus into the dark lives of thousands of prisoners in our prison system and their families. On-going love and support dramatically changes them! And it doesn't end there ... it benefits society by reducing the return to crime rate of released prisoners from over 50% to less than 15%.

On a personal level, I have seen miracles too numerous and moving to describe. I have felt the presence of Jesus touch my heart, my mind and my soul. It will affect you the same way. It does for all.

If experiencing miracles interests you, give me your email address and I'll send some information.
