## Fifteen Guests attend KO 23

Kairos Outside #23 was held March 15-17, 2013 at Bishop De Falco Retreat Center, Amarillo TX. Team members welcomed the guests on Friday evening and made them feel comfortable and welcome. Many of the guests were nervous and apprehensive as they arrived, wondering what the weekend would bring but by bedtime they were bonding with each other and opening up to the Grace and Mercy of God.

The team members of KO 23 did an outstanding job and enjoyed the company of Outside Observer Debbie Van Pelt and her husband Scott of Big Spring. They were both a wonderful asset to the conference room and the kitchen team.

This was the first time the "Walking in Love" ceremony was done for KO Amarillo, and there was a wonderful turn out from the community. It was beautiful and the guests were in awe as they walked in between the community holding candles and singing to them. Along with tears and laughter, the guests and team enjoyed a wonderful dessert afterwards.

By Sunday the team and guests had formed a family bond of love and friendship. The flowers at dawn ceremony was beautiful and the ladies all had something to share at closing.

## Kairos Inside Thank You Letter

Greetings, in the name of Jesus Christ, our Lord and Savior. On behalf of the Kairos outside Team, we would like to thank you for all the Agape, posters, and wall art that you sent in support of our last Kairos walk, which was held Oct. 18-21, 2012.

We would also like to express our appreciation for all the prayers for our Outside team, as well as for all those who went through Kairos #39. They found the Lord Jesus as their personal Savior and ask him to come into their hearts.

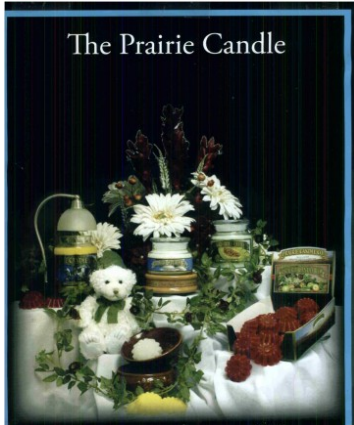

May God richly bless you for all your generosity. May you have a Jesus filled day.

In his service,  
Jimmy Waters  
Agape Coordinator

## KO NEEDS YOU TO HELP RAISE FUNDS!

Kairos Outside is funded strictly by raising funds to help costs of each weekend. It cannot be done by the Advising Council alone, it involves everyone to participate and support Kairos Outside community and weekends.

There are lots of opportunities to help.

Preparing and serving lunches monthly to Emmaus and Kairos Inside Teams.

Selling various products that the Advisory Council approves.

Helping with the annual Hearts N Harmony Event.

And much more....

Please contact Cynthia Walker, fundraising coordinator for the KO Advisory Council for more information on how you can get involved in helping raise funds for Kairos Outside.
